Re: Human Rights Campaign PAC July Monthly Report
Identification Number C00235853

Dear Ms. Zehr:

This letter responds to your request for additional information dated July 29, 2005 regarding the July Monthly Report.

The beginning cash balance and totals on the Summary and Detailed Summary Pages have been revised. A continuing software problem is causing the totals to print out incorrectly. We are working on solving this issue.

Schedule E has been amended to clarify the disbursements that were independent expenditures. After a review of our records, we determined that some of the disbursements originally disclosed on Line 24 and Schedule E of the reported were incorrectly reported as independent expenditures. We have amended the report to properly disclose these as operating expenditures on Line 21. As a consequence, no 48 hour notices were required for those expenses. For each of the remaining independent expenditures, we have provided the additional information requested and a brief statement or description of the purpose of the expenditures.

In our letter dated August 19, 2005, we have described the procedures established to use best efforts.

We have provided, where available, more detailed identifications of contributions.

The supporting schedule for disclosing independent expenditures has been signed by the treasurer.

Should you need further information, please feel free to contact me or Mike Mings at (202) 628-4160.

Sincerely,

Andrea Green
Human Rights Campaign PAC
